Avaya MultiVantage Express

Overview of MV Express

The MultiVantage Express is a complete, all-in-one Avaya Communication Manager solution based on the Avaya S8500 Media Server. MultiVantage Express is specifically designed for up to 500 users with up to 4 sites and includes Avaya's ACD, Voice mail, Auto-Attendant and Mobility applications as standard.

MultiVantage Express is a new solution using existing, proven Avaya technology – repackaged onto single server using virtualisation technology, supported by simplified administration and management.

All MultiVantage Express users have access to:

- Conferencing
- Softphone
- Follow me 'hot desking'
- Voice Mail
- One-X Mobile Edition
- Choice of IP, Digital, or Wi-Fi Handsets
- Support from basic Call Centre & Reporting
- Support from Intuity AutoAttendant

The MultiVantage Express

- A single licence provides all user capabilities
- A single server runs all applications
- Easy to self-administer through My Phone and Follow Me applications
- Fully integrated management tools and reports
